Key

✓	Data exists; data set complete in the FETS to the best of our knowledge
P	Data exists and has been obtained; represents PARTIAL coverage for the entire State/Tribe
X	Data exists; Have NOT obtained data
.....	Data source does not track this type of fire; another data source is needed.
O	Fire Type NOT TRACKED in this State/Tribe
N/A	Fire Type DOES NOT EXIST/Insignificant
?	Need to Determine and Define Available Data
.....	Multiple data sources that add up to complete coverage
